Supporting Membership Application

We the People – Alabama would like to thank you for considering a supporting membership in the task ahead of us to restore and maintain our Constitutional Republic. Our success today will be determined, as it was in 1776, not by the famous people of history that we all know about, but by the sufficient number of ordinary people who stepped up to make the difference that made the efforts of the famous possible.

As a supporting member of **We the People – Alabama**, we invite you to participate in our ongoing efforts to whatever degree you choose, as there is always something that needs to be done. Your supporting membership fee, in and of itself, will help cover the inevitable expenses that are necessarily involved in an endeavor such as this.

As a supporting member of **We the People – Alabama** you will be receiving a DVD copy of the **We the People - Alabama Handbook for Liberty** and a badge/name tag with your name and membership number on it as shown below.
